**More Trip Info:**

Campers will spend Sunday night at Hopewell getting to know each other and getting ready for their trip. They will depart Monday morning for Cloudland Canyon State Park, where they will stay in Yurts. They will explore the caves at Raccoon Mountain, hike in the park, and raft the Ocoee River under the guidance of the Nantahala Outdoor Center. Campers will return to Hopewell on Thursday evening and will spend the rest of their time enjoying traditional camp activities. Campers will travel in the Hopewell van or a church bus with two counselors and a Director as the trip leader.

**Leadership Campers are not permitted to drive their own vehicle to camp.**

**How To Pack**

Space is limited in the cabins and campers will need to keep their things well organized in their suitcase or small trunk. A laundry bag will help keep up with dirty clothes. Do not send new or valuable items, such as personal sports equipment that you do not want to risk getting lost or damaged. Please know that Hopewell cannot be responsible for loss or damage to any personal items brought to camp. Also, **do not bring electronics (MP3 players, video games, cell phones, etc.). Pocketknives or other weapons are not permitted at camp. Campers are not allowed to have pets, alcohol, drugs, tobacco including e-cigarettes and chewing tobacco at camp.** Please do not send cash with your camper. Make a store deposit for camp souvenirs, if you like. **Identify your child's things by using nametags or a laundry marker.** Involve your child in packing for camp so they will know what they are bringing. There is a Lost and Found table at the pavilion at Check Out where items will stay until noon the following day. **Items found left at camp will be held for three days.** You have until then to make arrangements to pick up lost items. Any items requested to be mailed will be done at the expense of the person making the request. Unclaimed items will be donated to charity.
